Cycle

Currently we have several public cycle hoops located outside the building. We are in the process of having a secure cycle rack planned and built for anybody wishing to ride to the office.

There is also unsecured cycle parking available at London Fields station.

Car

There is no on-site parking available at the building, although there are some public 4 hour bays.

The closest car park is Amhurst Road Car Park, E8 1FJ. It is an 11 minute walk to NCB from here and is located next to Hackney Central Station. It should be noted the car park can only accommodate a small number of vehicles and parking is not guaranteed.

Blue Badge Parking

There will soon be two blue badge parking bays outside the NCB building for those with a valid permit.

In the meantime please visit the site below for more information.
